

The Capitol & Symbols of Illinois

COLORING BOOK

State Representative • 84th District

**Stephanie A.
KIFOWIT**

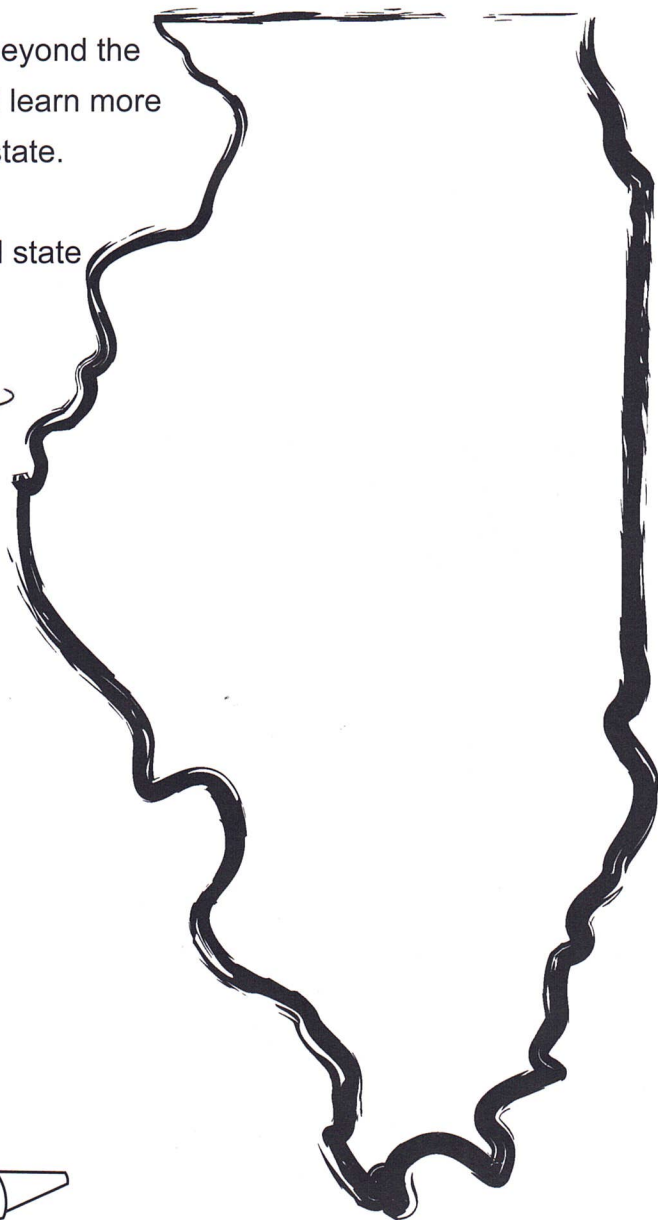

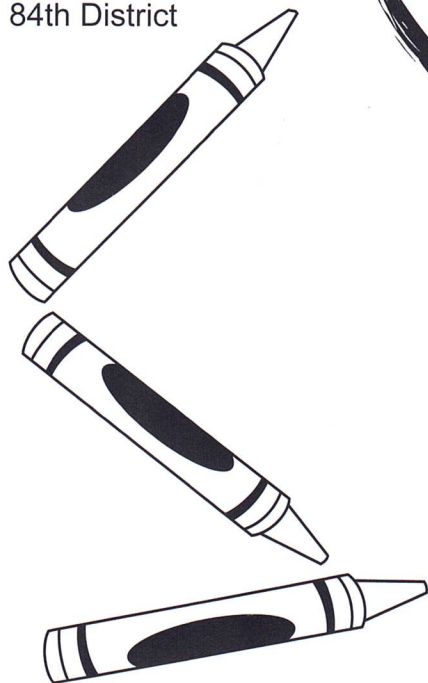

As your State Representative, I am happy to provide children in our community with a fun, creative and artistic way to learn more about the state of Illinois. Many of our state's symbols were suggested by Illinois students like you and made official by the General Assembly.

I hope that you also go beyond the symbols in this book and learn more about the history of our state.

Enjoy coloring the official state symbols of Illinois!
