## FROM THE Pastor's DESK

I am very thankful for the leadership of HRBC. This weekend, our elders, deacons and ministerial staff are going on a leadership retreat. This annual retreat is a great time for the deacons to bond. It also gives them an opportunity to begin thinking through the ministries of the upcoming year. This year, the Lord laid upon my heart the topic of personal worship. We will spend much of our time at the retreat focusing on individual worship. Please pray for us as we desire to seek the Lord and hear from Him.

"Three times in a year shall all your males appear before the LORD God, the God of Israel. For I will cast out nations before you and enlarge your borders; no one shall covet your land, when you go up to appear before the LORD your God three times in a year." (Exodus 34:23-24) This is very similar to what we plan on doing at the retreat.

As 2019 winds down, a few of our deacons will roll off. Scott Moore, Randy Saleeby, and Jay Rogers have served well for the last 3 years. In 2020, Ervin Flowers will begin a 2 year term as the deacon of Women's Ministry. Larry Welch, Matt Cramer, and Kenneth Russell will begin 3 year terms. We have ordination service planned for January 19<sup>th</sup>.

I am thankful to be your pastor.

## FROM WORSHIP & OUTREACH MINISTRIES

Have you ever said something like the following: "My sin is not as major as this other person's sin? I've never killed anybody, I've never committed adultery, I've never gotten drunk." In his letter to the Jewish believers in persecution, James clearly spells out in chapter two that sin is sin. There are no levels of sin in the eyes of God. In our human world, we may experience different consequences, but James makes it clear that in the eyes of God, sin is the same...sin is sin. What is interesting is that James nails many churches to the floor with two words: "Personal Favoritism". I submit that the reason the church as a whole is in decline today is that the church is full of factions, groups, and people who associate with only people like themselves. We are quick to navigate to people who are "easy to love" because they act like us, look like us, talk like us, and think the way we do. We attempt to associate with people who we can get something out of, but James makes it clear that if we are going to be the people God has called us to be, we must love our neighbor as ourselves. We are to set aside our personal favoritism in order that the gospel might be clearly seen. This is not easy, but it is what God is calling us to do. Lord, may you help us to set our personal favoritism aside for the glory of Christ that you might use us for your glory!

*Justin*

## FROM HRBC FAMILY MINISTRIES

"But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be the glory both now and to the day of eternity. Amen." ~2 Peter 3:16. An old Good News Club lesson taught this verse and included this truth: As your kids grow, God wants them to know more about Jesus. When they know more about Jesus, their faith in Him will grow, and they can trust him to be their leader. When you depend on God and his grace, God will help you and your kids to grow and be more like Jesus. Why do this? Because all the glory for our lives goes to God.

This simple truth that we teach the kids is simple, but it's also simply forgotten. With the holiday season coming, we will be so busy that we could forget the reason for the season, Jesus. As you travel, have your kids fill out a Christian coloring devotion book. We provide some at our parent partner table. There is also a devotion packet called Car Talk at our parent partner table. As important as it is for your kids to learn the lines to their Thanksgiving play, study for their mid-terms or finals, and participate in Winter Sports, do not forget the most important thing they can do is grow in the grace and knowledge of our Lord and Savior Jesus Christ.

Blessings,

*George*
