

Dear Longview EPC,

- A Ruling Elder in one of our EPC churches is involved with the **EQUIProject Foundation**, a non-profit organization that provides disaster relief assistance to deployed first responders. This organization has received an urgent request for volunteers to help FEMA with COVID-19 vaccine distribution in Memphis, Tennessee; Loveland, Colorado; and perhaps other locations.
- Volunteers are needed for 1-2 weeks at a time for non-clinical roles, such as data entry and traffic control. FEMA will pay for transportation, hotel, car rental, gas, and food.
- For more information, the contact is Carolynn Saris, Executive Administrator for the EQUIProject Foundation. She can be reached at **carolynn@equiproject.org** or
- 715-340-2593.
- Thank you for considering this chance to be the hands and feet of Jesus in these communities.
