

SIP FOR SIGHT

Coffee with a Cause – Eye/Cornea Donation Month

This November, your daily sips at your favorite coffee shop can make a difference!

RGV Division - San Antonio Eye Bank and local coffee shops have teamed up to raise awareness about giving the Gift of Sight through cornea donation — remembering donor heroes and giving hope to those in need of transplants.

HOW IT WORKS

-  **1** Grab your favorite drink at a participating coffee shop.
-  **2** Snap and post a selfie with your drink, tag both coffee shop and **@saeyebank** on Facebook or Instagram using **#SipforSightRGV**
-  **3** Wait to see if your selfie is announced as the weekly winner..keep your DMs open.

Complete the steps above to be entered to win a \$25 dollar gift card. One qualifying winner will be selected every Friday.

Follow San Antonio Eye Bank **@saeyebank** on Facebook or Instagram to see if you are the next winner!

WHY IT MATTERS

- One donor can restore sight to two people.
- There are 12 million cornea-blind individuals worldwide.
- Nearly anyone can be a cornea donor and therefore a superhero by giving the gift of sight
- Your support honors donor heroes and their families.
