

We invite you to join us October 29-31 in Doha, Qatar for [Milipol Qatar 2024](#). The 2022 event was a great success with over 220 exhibitors from 22 different countries.

The Milipol International Network is the world's gold standard when it comes to events dedicated to homeland security. It provides the perfect forums for unveiling the latest technologies in security and perfectly meets the needs of the whole of the sector, while also addressing current, fast-evolving threats.

Milipol Qatar will cover all areas of homeland security, with a special focus on:

- Counter-Terrorism
- Border Control
- Law Enforcement
- Firefighting
- Road Safety
- Cybersecurity
