Kick off the 2027 NCA National with Iron Newf!

Like IronMan competitors, IronNewf entrants tackle three disciplines — each one showcasing the unique qualities that define the Newfoundland breed as described in the standard. Dogs qualifying in all three sports earn the honorary title of “IronNewf.”

Conceived by Kevin and Laura Gallagher and previously offered at the 2017 Oregon National, IronNewf returns — bigger and better than ever.

- Crystal-clear lake perfect for water exercises
- Expansive grass areas for obedience
- Scenic paths, gentle slopes & varied terrain for draft
- Community building with fireplace
- Hotels, RV parks & dining nearby
- Approx. 1 hr 15 min from the National site
