

# CHANCELLOR'S HIRING EXCEPTIONS

There is presently a freeze on new faculty searches starting in AY 2020-21, due to the budget challenges caused by the COVID-19 pandemic.

## **The Chancellor has authorized the following exceptions for AY 2020-21:**

1. The ladder-rank searches within the “*Advancing Diverse Faculty, Curricula and Research through a Cluster Hire at UC San Diego*” initiative, recently recognized by an award of \$500k in one-time funds from OP. Co-PI's of the initiative are Profs. Thandeka Chapman, Ivan Evans, Makeba Jones, Linda Awdishu, and Frances Contreras. This is a total of 10-12 FTE.
2. Hiring, in any campus division, a current or former University of California PPFP or CPFP Fellow for whom this would be their first ladder-rank faculty position. 6-8 FTE.
3. Hiring of Teaching Professors in cases of exceptional enrollment pressure. 6-8 FTE.
