

December 2017

Dear Friends:

The holiday season is upon us!

It is that special time of the year when we reach out to friends and family, enjoy each other's company and embrace the joy that the season brings.

During this time of celebration, please remember to give special thanks to those who make sacrifices for us so that we may live in peace and good health.

On behalf of everyone at the Los Angeles County District Attorney's Office, I hope you have a peaceful, happy holiday season and enjoy the bright promise of the new year.
