## **Cape Rep Theatre's 2022/23 Young Company Initiative Info Session and Sign-Up**

Cape Rep Theatre invites young people grades 8 through 12 to be part of our Young Company. Cape Rep's Young Company Initiative (YoCo) provides free professional theater training to young local actors eager to learn the craft of acting through an intensive rehearsal and production process. All interested students are welcomed into this free annual program.

The 2021/22 company consisted of over 40 young artists, whose hometowns stretched from Plymouth to Wellfleet, learning, rehearsing and performing inside and outside in various locations across our 7-acre campus. This experience taught our incredible company to embrace the creative ensemble and professionalism that is central to YoCo.

**Join us on Saturday, October 15, from 11am, in Cape Rep's Outdoor Theater to learn more about the Young Company and our plans for this year.**

**In the event of rain, we will meet in the Indoor Theater. Masks are required for Indoor Theater. Cape Rep Theatre, 3299 Rt. 6A, Brewster.**

Please RSVP by calling 508-896-1888 and let us know how many of you will be joining. If you are interested but unable to attend email us at [YoCo@caperep.org](mailto:YoCo@caperep.org) for more information.

Cape Cod Repertory Theatre Company, Inc. is a 501c3 organization, founded in 1986 as a company dedicated to creativity and professionalism. On seven acres of land in Nickerson State Park in Brewster, Massachusetts, Cape Rep Theatre is the steward of the beautiful land and historic buildings that are home to the company's three theaters, including the only outdoor theater on Cape Cod.
