

DIGITAL BADGES

DISTINCTIVE. SPECIALIZED. CAREER ENHANCING.

New Micro-credentialing Badge Program at Cape Cod Community College.

Badges to Strengthen Your Professional Identity
Build an online digital badge portfolio to supplement your resume and showcase the tangible skills employers want.

LEAD THE WAY

Digital badges are a way for you to promote and amplify your own personal brand, achieve mastery in the skills necessary to meet a changing economy, and acquire tangible evidence of the skills you have perfected to advance your career.

Intercultural Fluency

- Show curiosity
- Challenge your thinking
- Recognize and challenge your own cultural biases

Resilience

- Exhibit flexibility
- Focus on solutions
- Demonstrate self-awareness

Initiative

- Act as a catalyst
- Learn from experience
- Lead without a title

Collaboration

- Listen actively
- Strengthen relationships
- Incorporate diverse perspectives

Introductory Pricing

Purchasing a full mastery badge bundle provides additional cost savings. You can also choose only the badge(s) you want to earn, and build your own unique set of credentials.

The Digital Badge Programs are authorized by Education Design Lab and issued by Cape Cod Community College. The micro-credentials have been co-designed with employers and are assessed by institutional facilitators. Across the suite of micro-credentials, learners engage in rigorous learning experiences that intentionally develop workplace skills.
