On August 26, 2020 at 11:30AM please join a statewide conversation about how climate change impacts the health of New Mexicans. Learn how you can play a role in strengthening state action on climate and the proposed methane rule to protect our communities and the climate.

Speakers will include:
Kathy Kunkel (Cabinet Secretary, NM Dept. of Health)
Brian Egolf (NM Speaker of the House)
Dr. Dave DuBois (NM State Climatologist)
Adella Begaye (Diné CARE and former public health practitioner).
Barbara Webber (Executive Director, HANM)
