

February Vacation Programming

February 20-24th, Lexington, MA

Believe it or not, February break is right around the corner! Let Aspire facilitate a few of those hours to get the kids out of the house and interacting with their peers.

This program is intended to offer a place where your child can share preferred interests with similar peers, in a well-supported environment. Participants will come together with Aspire's knowledgeable staff for a welcome meeting, a movie, and a theme-based snack. A break-out room will be available with arts and crafts, board games, and sensory tools.
