

Learn with Lurie – A Monthly Webinar Series

The Lurie Center for Autism is an integrated, multidisciplinary clinical, research, training and advocacy program dedicated to supporting autistic individuals across the lifespan. We are committed to providing evidence-based autism education for parents, caregivers, educators and professionals.

2026-2027 Schedule

Learn with Lurie webinars are held monthly on Wednesday evenings from 6:30pm–7:30pm. All events are free and open to the public. Registration opens four weeks before each event. To receive email reminders about registration, [subscribe here](#).
