

SEATTLE CHAPTER & SOUTHWEST CHAPTER JOINT EVENT

NUCOR STEEL FACTORY TOUR & TECHNICAL PRESENTATION

Join the SEAW Seattle Chapter and Southwest Chapter for a joint tour of the Nucor Steel Seattle facility! This event offers a unique opportunity to see steel production firsthand and learn more about the steel manufacturing process — from raw and recycled materials through the production of finished steel products.

DATE & TIME

Tuesday, October 20, 2026
4:00 PM

LOCATION

Nucor Steel Seattle
2424 SW Andover St
Seattle, WA 98106

Detailed parking instructions will be provided to registered attendees prior to the event.

ATTENDANCE

30 SPOTS ONLY

First come, first served.

If we receive enough additional interest, a second tour will be added on Monday, October 19.

TENTATIVE SCHEDULE

4:00 – 4:15 PM	Check-in & Welcome
4:15 – 5:00 PM	Nucor Steel Factory Tour
5:00 – 5:30 PM	Social & Networking
5:30 PM onward	Technical Presentation with Light Dinner

Schedule is tentative and subject to change.

COST

FREE EVENT

A light dinner will be provided.

DIETARY RESTRICTIONS

Please indicate any dietary restrictions when registering so we can plan accordingly.

PPE REQUIRED

This is an active steel manufacturing facility. Please come prepared with appropriate PPE for the factory tour. Additional PPE requirements and site instructions will be provided to registered attendees before the event.
