

# Interested in a high-paying career that combines, math, programming and business?

Do you want to learn more about The University of Tampa's new degree program in Actuarial Science?

Ever wonder why being an actuary is consistently ranked as one of the top 10 careers by U.S. News, CNN and Money Magazine?

Join Tiffany Tatsumi, University Outreach Administrator from the Society of Actuaries to learn "Actually, What is an Actuary?" Ms. Tatsumi will provide an overview of the actuarial profession and the Society of Actuaries (SOA). She will be joined by Matt Lamb, a local practicing actuary, to discuss how to prepare for the actuarial exams, interviews, and how to navigate the SOA pathways to membership.

Refreshments will be served.

**Date:** Thursday, February 6  
**Time:** 4:00 - 5:00 p.m.  
**Location:** Martinez Athletic Center  
Sword & Shield Room

For more information, contact the math department at [nkhanal@ut.edu](mailto:nkhanal@ut.edu).
