

CROSSROADS CAMPUS DROP-OFF / PICK-UP PROCEDURES

Student safety is paramount. We ask parents to be patient and use caution. Have your student ready to exit your vehicle when approaching the drop-off point. If you need to open your trunk or lift-gate, please park. Further, cell-phone use, including texting, is not permitted while driving on the school grounds.

You may drop your student off at the south entrance (family entrance) of the building, between 7:30 - 8:00 a.m. Cars should enter the lane from the east-side and stay in a single line.

On duty staff will assist students to exit the car on the curb side. As this is a fire lane, parents may not leave the vehicle. There will be teachers on duty to assist students through the glass doors and into the classroom. Parents may continue heading west to exit the parking lot.

Any student arriving after 8:00 must park in the lot and be walked into the building. Any student not in the preschool area by 8:00 will need to be signed in and receive an admit/tardy slip.

After-school pick-up will be 2:50 - 3:10 p.m. Parents will park and enter the school building through the family entrance. Staff will bring students out of the classroom and sit in assigned areas. Parents will wait to take students until staff check IDs and hand students over to parents.

Please have a photo I.D. ready for teachers/staff to check at dismissal.

Anyone picking up your child must be on your pick-up list. They must have a photo I.D. This is for your child's safety.
