

# CHARLOTTE MASON, MBA

## SKILLS

Excellent verbal and written communication, organizational and multitasking abilities. Experienced professional and a self-starter with knowledge of the residential real estate market.

## OBJECTIVE

To complete required real estate appraiser courses, gain knowledge of the residential appraisal industry and obtain apprenticeship under a licensed appraiser where I can gain my certified residential appraiser license.

## EXPERIENCE

### Owner | Palmetto Holdings, LLC | April 2021-Present

Successful property manager and real estate investor with a proven track record of sustaining and increasing property values. Committed to achieving client satisfaction, with the ability to manage my time and efforts effectively and strategically to create highest value.

### Product Manager | Tietex Int'l. | June 2019-May 2022

Responsible for management and technical sales support of all product lines throughout its entire life cycle. Also support for direct selling efforts with customers and sales team by coordinating product specifications, testing, trouble shooting and development. Successfully manage all the tradeshow and marketing events.

### Account Manager | Leigh Fibers | May 2010-June 2019

Responsible for identifying new and existing marketplace opportunities, prospecting and engaging new clients, developing proposals and managing the entire contract process. Also responsible for maintaining client/vendor relationships and all tradeshow and marketing events.
