Notes from the Vestry meeting of July 15, 2026

At its July meeting, the Vestry:

- Heard a presentation from Bill Ferguson on the history, purpose, and past practices of Christ Church's commemorative service plaques
- Continued its prayerful discernment regarding how a recent bequest can best support Christ Church's mission and long-term ministry. As part of this process, the Vestry will meet with diocesan stewardship consultant Brian Raiche this fall to learn more about options, including the possibility of a future capital campaign.
- Received an update from the Capital Committee as it continues evaluating the church's long-term building maintenance needs and gathering information to help guide future planning.
- Approved the following Thrift Shop donations to support summer camp opportunities for children:
 - \$2,100 to Barbara C. Harris Camp
 - \$2,100 to Camp Amazing Grace
- Approved obtaining bids to install air conditioning on the second floor of the Parish Hall to improve the space for church programs, meetings, and community use.
- Approved painting and refreshing the Church School classrooms to create a more welcoming environment for our youngest parishioners.
- Approved a Coffee House Fundraiser on Saturday, October 3, with proceeds benefiting Christ Church's Overnight Hospitality Ministry.
