Pew Removal: Happening This Coming Week! - In late summer, parish leadership shared our vestry-approved plan to create more space in our sanctuary by removing one row of pews (one pew bench on each side). The front half-pews on each side will then be moved back by one row, maintaining our seating for folks with walkers and wheelchairs. As we continue to all worship at the floor level, this change will improve accessibility, flow, and visibility, bringing us closer together with the presence of Jesus in Word, Sacrament, and one another. For high feast days and other services like Baptisms and large funerals, we will celebrate Communion from the high altar and add chairs to the sanctuary to regain the seating from the removed pews.

We are pleased to share that a team of staff and volunteers plan to move the pews this coming week. You will notice the change when we worship together on Nov. 7th and 8th. The removed pews will find a new home and purpose as seating in the choir room and in the hallway area between the main office and Rev. Melissa's office.
