Banning Engineering Promotes Polson to Director of Survey

PLAINFIELD, IN (May 27, 2020) – Banning Engineering has promoted Jon Polson to Director of Survey. Polson has been with the firm since 2005 and most recently served as the Survey Operations Manager.

“Jon has been a valued member of the Banning Engineering team for well over a decade. Consistent with Banning Engineering values, Jon will bring a reinvigorated vision to our survey department. I’m looking forward to having Jon serve our clients in this new role,” said Jeff Banning.

Polson is a graduate of Vincennes University and a licensed Professional Surveyor. Additionally, he serves as President of the Central Indiana Chapter of the Indiana Society of Professional Land Surveyors and is a member of the National Society of Professional Surveyors and Indiana of Right of Way Association.

About Banning Engineering

Banning Engineering is an award-winning, multi-dimensional civil engineering and surveying firm serving Indiana communities for over 25 years. Our teams of professional engineers and surveyors are committed to making “Your project Our Priority”.
