

## **Knitting with Friends**

The knitting and crocheting group meets most Wednesdays from 3:00 - 5:00 PM at Sister Arts Studio (721 W. Wrightwood). Beginners and experts are welcome to join. The group will be working on their own projects -- and if asked, will make items for those in need such as the hats, scarves and mittens they made for the Night Ministry. Bring your needles and yarn, maybe even some coffee or tea. Sister Arts Studio will be happy to supply needles and/or yarn, patterns, and tips. For more information, please contact Beth Hickey at [bethhickey37@hotmail.com](mailto:bethhickey37@hotmail.com) or 330.721.7131.
