

*If you have ideas, we want to hear them!  
You do not have to be a Village member to serve on a committee.  
Short-term participation to work on special projects or to  
accommodate travel are encouraged.*

### **Brain Health/Memory Loss**

Supports Village members their care partners and families by developing collaborations with best-practice health, social, and community resources; organizes support groups to help family members maintain the emotional equilibrium and strength they need; and implements brain health initiatives that may significantly delay the onset of dementia and related conditions. Contact [jhurd@thevillagechicago.org](mailto:jhurd@thevillagechicago.org)

### **Bridging Generations Board**

A group of young (under 50) professionals helping the Village build multigenerational communities and workplaces through age-integrated social, volunteer and learning events. Contact [jonathan@thevillagechicago.org](mailto:jonathan@thevillagechicago.org)

### **Fund Development**

Develops and implements annual and multi-year fund-raising efforts including securing sponsorship; pro bono services and in-kind gifts; and planning our annual benefit. Contact [susanw@thevillagechicago.org](mailto:susanw@thevillagechicago.org)

### **Future of Work**

Calling entrepreneurs, thought leaders, and innovative thinkers to help us focus on career management and transition strategies by exploring emerging technologies and trends with leading experts at networking events. Contact [sandra.tice@mipcorp.com](mailto:sandra.tice@mipcorp.com)

## **Health & Wellness Initiative**

Creates and implements programs that provide you with the knowledge and resources to manage physical, social and emotional health. Helps people over 50 navigate health transitions through education, referrals and individualized support. Contact [nfox@thevillagechicago.org](mailto:nfox@thevillagechicago.org)

## **LGBTQA**

This fun committee builds social cohesion within the broader community, develops engaging educational and social events, and explores the unique issues of aging faced by LGBT individuals. Contact [jonathan@thevillagechicago.org](mailto:jonathan@thevillagechicago.org)

## **Life 3.0**

Want to know “what’s next” in your life? How to manage the care of aging parents? How to find purpose and meaning outside of work? How to make friends after retirement? Life 3.0 helps you find your passion after retirement or other life transitions. Contact [tom@echalmers.com](mailto:tom@echalmers.com)

## **Membership Engagement**

Put your creativity to work in this exciting committee that helps recruit members, defines the Village experience, and develops new programs and initiatives. Contact [jonathan@thevillagechicago.org](mailto:jonathan@thevillagechicago.org)

## **Program**

Help the Village develop exciting and informative events throughout the city and on Zoom. We have a thirst for new and different viewpoints and experiences. Contact [mbyrd@thevillagechicago.org](mailto:mbyrd@thevillagechicago.org)

## **Research**

Want to learn about emerging lifestyle trends, health, well-being and new clinical trials? Have an interest in data collection and analysis? Contact us at [info@thevillagechicago.org](mailto:info@thevillagechicago.org).
