

Should You Work for Yourself?

The Village Chicago, in partnership with Concordia University Chicago and the Sulzer Public Library, is pleased to announce it will soon be co-hosting a Work for Yourself@50+ workshop in our community.

AARP Foundation's Work for Yourself@50+ workshop will help adults age 50+ gain the knowledge, support, and resources they need to make informed decisions and take the right first steps toward successful self-employment. The 2-hour workshop will walk participants through the Work for Yourself@50+ materials and connect them with local resources to help them reach their goals.

The workshop will be offered on Monday, October 23, 2017, at 6:00 PM at the Sulzer Public Library, 4455 N. Lincoln Avenue.

The decision to start a business can be both exciting and daunting. Work for Yourself@50+ breaks the choices down for older adults in an approachable way through five steps:

Have you ever dreamed of being your own boss?

- A careful consideration of the potential and perils of working for yourself.
- Exercises to help develop the self-employment idea.
- A realistic overview of what it takes to pursue a self-employment opportunity.
- Guidance to help avoid pitfalls and scams.
- Ways to find trustworthy support and services.
