

The 10th Anniversary Celebration & Benefit

Live & Silent Auction

How the Live Auction Works:

1. During the Program portion of the benefit, starting at 6:45pm, the live auction will follow the raffle drawing. You will have the opportunity to raise your hand/paddle to place your bid on our three fabulous live auction prizes.
2. The auctioneer will announce gradually increasing bid prices and acknowledge your bid from the stage.
3. The auction prize will go to the highest bidder.

How the Silent Auction Works:

1. At the June 4 event, there will be a bid sheet attached to a clipboard for every item so that you can write your bid on the bid sheet.
2. Keep an eye on your favorite items so you can enter another bid if someone has outbid you.
3. Since several of the items are packages of activities that you can enjoy with a group, you might want to form a "cartel" with some of your friends and bid with the group's resources.
4. Bidding will cease at precisely at 6:30 PM at which time you can check the bidding sheet to determine if you have won.
5. We request that you pay for your item(s) at the conclusion of the program at 8:00 PM (check or credit card – Visa, MC, Discover).
6. Note: Several items have restrictions on when they may be used.
8. Bids placed lower than the Opening Bid will not be accepted.

****Please note that this list will be updated, as new items come in!**

Good luck and happy bidding!
