

Knitting with Friends

The knitting and crocheting group meets most Wednesdays from 3:00 - 5:00 PM at Sister Arts Studio (721 W. Wrightwood). Beginners and experts are welcome to join. The group will be working on their own projects -- and if asked, will make items for those in need such as the hats, scarves and mittens they made for the Night Ministry. Bring your needles and yarn, maybe even some coffee or tea. Join the group and purchase materials at Sister Arts Studio. Visit www.sisterartsstudio.com for available classes.
