Programs & Associations

Pet Sustainability Coalition - a leading organization for sustainable advancement in the pet industry that promotes business minded solutions for environmental improvement.

Organic Trade Association – promotes, protects and grows organic agriculture and commerce.

Eco Cert Certified - an organic certification organization that conducts inspections in over 80 countries, making it one of the largest organic certification organizations in the world.

We are an advocate for organic legislation and promote tips on recycling on our website, newsletter, blog and social media.

Sustainability & Recycling

We use organic farmers that practice sustainability and partner with other eco-friendly companies. I.E. RADIUS with a 50,000 kw solar collectors. We look for ways to continually reduce our carbon footprint.
