

PURE
and Natural Pet™

2-In-1 Grain Free Shampoo/Conditioner

You asked, we answered

2-In-1 Shampoo & Conditioner

Not only is this an excellent time saving shampoo & conditioner combo it's also GRAIN FREE, making it ideal for dogs with skin allergies.

The Better Choice - Our shampoos are free of chemical surfactants, because your pets and the environment does not need them. Surfactants can dry the hair/fur and irritate the eyes and skin and have toxic effects when released back into our water system.

Product Tip—A little goes a long way. Since fur is not being stripped, long fur may look like it's clumping. Rest assured, it's not. When dried, your dogs coat will be soft and shiny.

Don't forget to recycle your bottles!

No Dyes
Or Perfume

INGREDIENTS MATTER

Aloe Water — hydrates and reduces skin irritations. Rich in antioxidants that protect the skin.

Lavender Oil — an anti-inflammatory with therapeutic scent that serves as an antibacterial.

Jojoba Oil — moisturizing properties and protects against drying. Rich in vitamins and minerals that treat dry skin.

Niaouli Oil— disinfectant that naturally cleans skin and heals skin irritations. Moisturizes & soothes to reduce itchy skin.

Peppermint Oil—soothing and calming abilities that freshen the skin, increase skin circulation and prevent hair loss.

Calendula Oil—natural antiseptic properties that are helpful in healing wounds and hydrates skin with regenerative properties.
