Shed Control Shampoo

You asked, we answered

Shed Control Shampoo — Shed Control is a growing problem and we have the natural solution to quickly and effectively loosen a dog's undercoat. Our De-Shedding Shampoo contains moisturizers and Omega-3 Fatty Acids that hydrate skin and hair follicles, making fur less dry & brittle.

The Better Choice — This product really works! It is the winner of 5 industry awards and is a favorite Editor's Choice.

Product Tip— Brush your dog before and after their bath. Use sparingly. Be prepared for a LARGE release of fur. Your dog's coat will be soft & manageable and your daily clean-up will be considerably reduced.

INGREDIENTS MATTER

Sweet Orange Oil — A natural antiseptic that cleans while reducing yeast and other infections.

Omega 3 Fatty Acids — Protects the skin from sun damage. Acts as an anti-inflammatory.

Coconut Oil — Adds moisture to the skin and helps improve skin conditions. Reduces allergens and heals wounds. It contains antibacterial, antiviral and antifungal properties which improve the skin and coat.

Aloe Vera — Repairs and rejuvenates the skin and coat and prevents itching. Heals wounds and hot spots. It contains antibacterial and antifungal properties that soothe skin & reduce inflammation.

Shea Butter — An anti-inflammatory that repairs skin damage and has moisturizing properties to soothe, soften and heal rough, dry skin.
