

PURE
and Natural Pet™

You asked, we answered

Tear Stain Removing Eye Wipes—our pre-moistened and flushable eye wipes are soothing and safe for daily cleaning to rid your pet of unsightly red or brown tear stains that are often caused by red yeast. The natural enzymes in our wipes safely, and easily, break down tear stains, which are protein based.

The Better Choice - Restore pH balance and naturally clean and deodorize without any toxic sulfates, dyes or chemicals.

A Flushable Wipe makes this a great portable option for when you're on the go.

If the wipe can also be disposed of in traditional trash, the ingredients are natural and not harmful to the environment.

Don't forget to recycle your containers!

No Dyes
Or Perfume

Tear Stain Removing Under Eye Wipes

INGREDIENTS MATTER

Aloe Vera— anti-inflammatory containing antioxidants & enzymes. Rich in vitamin C to aid dry skin

Witch Hazel— natural deodorizer and astringent that soothes skin while reducing inflammation.

Protease— an enzyme that breaks down proteins into smaller polypeptides or single amino acids. An inflammatory mediator that boosts immune function.

Vitamin E— an anti-inflammatory that supports the immune system, cell function and skin health. An antioxidant that effectively combats free radicals.

Chamomile Extract— anti-inflammatory with antiseptic properties that protect from free radicals.

Cucumber Extract— a cooling astringent and anti-inflammatory that hydrates & soothes skin.
