Dear Families,

Here at Rowe, we are thinking of you and hoping that everyone is healthy and safe! We are excited to start remote learning. We are working very hard to create meaningful opportunities for your scholar to stay connected and grow academically while at home. We imagine you have lots of questions, and we are here for you! Please, please, please reach out to your scholar's teachers for anything you need - both related to learning or any other needs you might have: food, resources, a grown-up to talk to, etc. :) We know this is very new, and might not go perfectly. We appreciate your patience, support, feedback, and collaboration as we figure it out together. We are here for you, and we will all get through this together. #GoRowe

**When does e-learning start?**

- Monday, April 13. Make sure your scholar is ready to learn!

**What does my scholar need for remote learning?**

- Your scholar will need a computer or tablet.
- Your scholar will need internet access.
- Your scholar will need a quiet place to focus on learning every day.

**Where does my scholar find this information?**

- Everything for e-learning is in Google Classroom ([classroom.google.com](https://classroom.google.com)). Your scholar should have an invitation to their grade level classroom in their Rowe email. Reach out to your teacher if you cannot find this information.
- We will review expectations for online learning with all scholars the first week.

**What is the schedule?**

- In elementary school (K-5), scholars will not have a timed schedule like the middle school does.
- You can treat each day like a "checklist" and just make sure everything in their google classroom gets done for the day, at whatever time of day that works for your family.
- If your family would like a little more structure and/or a schedule, here are charts for K-2 and 3-5:

K-2 Sample Schedule (90 minutes of remote learning)		3-5 Sample Schedule (120 minutes of remote learning)	
Time	Activity	Time	Activity
9:00-9:20	Read Aloud	9:00-9:50	Reading & Writing Lesson
9:20-9:35	Break	9:50-10:10	Break
9:35-9:50	Writing & Phonics	10:10-11:00	Math Lesson
9:50-10:05	Break	11:00-11:30	Break
10:05-10:10:25	Math Lesson	11:30-11:50	Science/Enrichment
10:25-10:40	Break	11:50-1:00	Lunch
10:40-10:45	Math Independent Work	1:00-2:00	Optional Activities (Independent Reading, EPIC books, Khan Academy, Compass, other learning websites, math games, etc)
10:45-11:00	Break		
11:00-11:20	Science/Enrichment		
11:20-12:00	Lunch and Break		
12:00-1:00	Optional Activities (Independent Reading, EPIC books, other learning websites, math games, etc)		

**What about special education services?**

- Scholars who get special education will still be receiving services. The learning specialists will be modifying and accommodating work for scholars based on their needs.

**What if my child is struggling and needs more support?**

- We are here for you! If they are struggling academically, please reach out to the classroom teachers. If they are struggling socially or emotionally, reach out to our social worker, Ms. Feldman, at [jfeldman@nush.org](mailto:jfeldman@nush.org).
- Please review Rowe's policy on [Unacceptable Use of Technology](#). Email our Dean of Scholars, Ms. Castro, at [acastro@nush.org](mailto:acastro@nush.org) to discuss support.

Remember, we are all in this together! See you soon on Google Classroom. :)

Ms. Wilson (Principal; [awilson@nush.org](mailto:awilson@nush.org)) & Ms. Bohannon (Assistant Principal; [tbohannon@nush.org](mailto:tbohannon@nush.org))
