IPBC Intergovernmental Personnel Benefit Cooperative

# DEPENDENT AUDIT

## AUGUST 2024

IPBC - Dependent Audit (ipbchealth.org)

### Dependent Audit

IPBC does require its members to complete a dependent audit every five (5) years. Several IPBC members were due to complete an audit in 2024. However, due to the transition to PlanSource, the 2024 due date was suspended to allow time for the policy to be reviewed.

The Operations Committee will be reviewing the policy and recommended changes at its August 27th meeting.

You may review the policy and related information by clicking the link at the top of the page.
