

REMINDER: Benchmarking Survey is Now Live!

We sent the email below to all IPBC Member Groups last week. Please make sure your entity completes the benchmarking survey by 6/13/25!

WHO: This is for IPBC Member Groups. Each group can choose the appropriate person in their organization to complete this survey.

WHAT: IPBC has launched a **new Benchmarking Survey** in partnership with the Alera Group. We are looking for one survey/organization.

WHEN: The survey is now open and will close on 6/13/25. We are giving you a few weeks to complete, but please do not procrastinate. The first time you complete the survey, it will take some time. However, it will save the information, so the next time we survey, all you will need to do is make any needed changes.

WHERE: The survey tool is managed by the IPBC's Consulting Partner, the Alera Group. You will access the link for the survey (see below) and start entering your information.

WHY: The resulting report (**see sample**) will provide your entity with the information needed to analyze your benefit offerings against other IPBC

members. It will allow you to provide your elected officials with needed information to make spending decisions. Therefore, we strongly encourage you to invest the time to complete the survey.

HOW: [Click here](#) for the instructions. Within the instructions, you will find a link to the survey. Please pay attention to the information about how to enter your org's name. In order to complete the survey, you will need your plan details. Therefore, you should have your plan documents and SBCs.
