SACRED RIDES

Experience the breathtaking beauty of southwestern Utah, one of the world's best mountain bike destinations, on this 6-day mountain bike getaway with some of North America's best instructors. This Ride features a combination of on-trail skill-building and miles of fun riding on world-famous singletrack.

From the surreal desert surrounding St. George to the awesome single track just outside of Las Vegas this itinerary includes some of the most spectacular and unique areas on the planet. It also happens to be home to some of the best mountain biking anywhere - a perfect training ground for this 6-day mountain bike getaway!

**What's included:**

- 2019 Giant Trance full suspension mountain bikes
- 6-days of incredible mountain biking and skills development in beautiful red rock country, suitable for beginner mountain bikers
- Certified BICP mountain bike coach (4:1 ratio)
