

Volunteer Services Department: 2020 Holiday Program

This year, the COVID-19 pandemic prevents us from experiencing our established traditions in the same way. This is especially true for the holiday programming that our patients and clients have relied on to provide fellowship, tradition, and a sense of community. Although the holiday schedule will not look the same, we are committed to providing some sense of normalcy while introducing new traditions - traditions that provide our patients with comfort, joy, and a feeling of continuity.

As we safely maneuver pandemic guidelines, Volunteer Services is focused on ways to support our patients throughout the holidays by providing units with leisure games, resources, and seasonal refreshments. We are pleased to continue with our holiday gift program providing our patients and clients with a personalized wrapped holiday gift. We anticipate filling close to 400 individual wish lists that include 1,200 gift items.

For our 2020 holiday season, we ask our donors to consider a financial gift or purchase gift items online and have them shipped directly to Volunteer Services.

This has been a tough year for many of us, but this year has been especially challenging for our patients and clients. With multiple ways to contribute, please join us in creating a festive end to a difficult year!

Ways you can support the Holiday Program

1. Send a check made payable to the Volunteer Service Council of Twin Valley Behavioral Healthcare to 2200 W. Broad St., Columbus, Ohio 43223
2. Shop for gift items online and ship directly to our hospital.
3. Shop from our Amazon Wish List - This wish list is designed to fill specific needs for the holiday gift program.

Scan the code to begin shopping on our Amazon Wish List. Other ways to access the wish list is to search under the name Volunteer Service Council of Twin Valley Behavioral Healthcare or by using this link —
