Franklin County Youth Behavioral Health Services

ADAMH
Alcohol, Drug and Mental Health Board of Franklin County

The Alcohol, Drug and Mental Health Board of Franklin County (ADAMH) offers life-changing possibilities to individuals and families living with mental health or substance use disorders. We partner with more than 30 not for profit agencies to provide accessible and affordable behavioral health services in the areas of Treatment, Crisis, Housing, Prevention, Recovery Supports and Family Supports.

ADAMH - Where Better Begins.
