What's Going on in **PRESCHOOL?**

ROOM 107

In Miss Heather's classroom, we have been reading "Baby Bear, Baby Bear, what do you see? And "Brown Bear, Brown Bear". We have been exploring books at circle time by matching pictures into our books.

We have been enjoying some cool sensory activities like making putty out of yogurt and cornstarch. And until we went to remote learning, we were able to take quick daily wagon rides in the hallways to enjoy all the beautiful classroom artwork.

**We are so proud
of our students!**
