Reporting a Code Observation/Concern

How do I report a violation?

There are a number of ways to report an observation/violation.

- Access the city website, www.peachtreecornersga.gov – click on the “How Do I” tab at the top and then select “Report an Issue” in the menu and follow the prompts.
- On your smartphone, download the city’s “Corners Connect” app. The app is free and is available for both iPhones and Android users. For iPhone users, search for “Corners Connect,” in the app store; for Android phones, you’ll find Corners Connect in the Play Store.
- Call City Hall directly – 678-691-1200.

What happens when a complaint is received?

Our Code Enforcement Officers will answer questions and investigate complaints from citizens on a wide variety of issues. Depending on the nature of the complaint and the results of the inspection, the Officer visits the reported property and works with the property owner/resident to correct any issues found. Depending on the type/size of the violation, there may be more than one follow-up inspection required.

From the date the Notice of Violation (NOV) is issued, the owner/resident is given a specific time frame in which to correct violation(s) and come into compliance. A NOV can be verbal, a door hanger, a written notice and, at times, a phone call.

What should I do if I receive a notice of violation?

Correct the violation either before or by the corrective action date given. If for any reason you are unable to come into compliance within the time frame given or have questions, please call the Code Enforcement Officer who issued the NOV to discuss the violation/resolution.

Our Code Enforcement team works with the community through communication and education with a goal of voluntary compliance - while encouraging responsible property maintenance.

Philomena Robertson, Chief Code Enforcement Officer, probertson@peachtreecornersga.gov
