

Curiosity Lab's Innovation Center is conducting a number of free virtual events throughout the month. Below are the July events. Please check the Curiosity Lab's event calendar each month for upcoming free webinars. The calendar is posted on its website, www.curiositylabptc.com.

Thursday, July 16th - 12:00-1:30 EDT - The New World: UAVs, IOT and AI - Join Curiosity Lab for a discussion of how unmanned aerial vehicles (UAVs), internet of things (IOT), 5G, and artificial intelligence will transform how we work and live. This virtual 90-minute panel will be moderated by the Metro Atlanta Chamber of Commerce and feature Southern Telecom, Curiosity Lab at Peachtree Corners, Xeo Air, and ATDC. **Register online at <https://tinyurl.com/XEOCLPTC>**

Wednesday, July 22nd - 6:00-7:30 PM - Art of the Pivot (Session 1 of 3) - COVID-19 has created a whole new reality to doing business. Startups are uniquely positioned to be able to pivot and make the most of opportunities as they arise. But, how do you know when it is time to change your "north star" and pivot? What does a successful pivot look like (and how do you avoid the pitfalls)? Join us for this interactive series, led by Peachtree Corners resident, experienced inventor and Professor of Practice at Georgia Tech School of Industrial Design, Stephen Chininis, IDSA. **Register online at <https://tinyurl.com/PTCAP1>**
