

February 2019

Attention Homeowners and Condominium Association Representatives

The Code Enforcement Division staff would like to ensure everyone that they are able to provide timely and accurate information to the residents and representatives of the city's neighborhoods and communities.

We are currently compiling a list of representatives' names and contact information for the HOAs and communities within the city limits of Peachtree Corners. Please email your community's representative contact information to our Code Enforcement Manager, Philomena Robertson at probertson@peachtreecornersga.gov

If you have any questions, please do not hesitate to contact Ms. Robertson via email or by telephone, 470-395-7026.
