## **Streetlights, Trash Pickup FAQs**

Two of the most common queries the Public Works Department receives centers around streetlights and garbage pickup. Following is help with these FAQs.

**Q: My streetlight is out, what should I do?**

**A:** Please report streetlight outages through Georgia Power's website at [www.georgiapower.com](http://www.georgiapower.com). Then from the homepage, select "Power Outages," "Report an Outage," then "Report a streetlight outage not on my property." It will help to also include the pole number in your report.

**Q: Can I request streetlights in my area?**

**A:** A petition for streetlight application would need to be filled out and submitted for streetlights to be installed. Please visit the city's website, [www.peachtreecornersga.gov](http://www.peachtreecornersga.gov); under the "Government" tab select [streetlight program](#) in the pull-down menu for the Streetlight Petition Form.

**Q: My trash/recycling was not picked up, what should I do?**

**A:** Contact Waste Management directly at 404-794-6707. Also contact Waste Management for any bulk item or yard waste pickup.

**Q: I am a senior; how do I get the senior discount for garbage pickup?**

**A:** First check with the [Gwinnett County Tax Commissioner](#)'s office to verify you are not already receiving the discount. The current discounted rate is \$156.33. If you are not receiving the discount, please send a copy of your Driver's License ID to [fdirton@peachtreecornersga.gov](mailto:fdirton@peachtreecornersga.gov)

For further questions or information, email [publicworks@peachtreecornersga.gov](mailto:publicworks@peachtreecornersga.gov)
