Do You Have Carpenter Skills?

The Peachtree Corners Veterans Monument Association (PCVMA) committee is looking for one or more volunteers to build a temporary base for one of its sculptures.

The PCVMA will receive one of the six full size sculptures in November. The sculpture will be displayed at the new City Hall (310 Technology Parkway) later this year. City Hall will be its home until the sculpture is ready to be installed at its permanent home on the Town Green.

To display the sculpture, a temporary base is needed. The temporary base will be a wood frame sculpture with a granite façade. It will be patterned after a similar base that is located at the Atlanta History Center. Dimensions and materials will be provided. Please contact PCVMA executive director, Bob Ballagh at bob.ballagh@comcast.net if you are interested in assisting with this very worthwhile project.
