

Single-Family Residential Toilet Rebate Program

520 billion

Nationally, if all old, inefficient toilets in the United States were replaced with WaterSense labeled models, we could save **520 billion gallons of water per year**, or the amount of water that flows over Niagara Falls in about 12 days.

ELIGIBILITY REQUIREMENTS

Customers must meet the following qualifications to receive a toilet rebate:

- Have an individual residential account with a [participating water provider](#) in the Metro Water District and be up to date on your billing payments.
- Own or rent a single-family residential home built in 1993 or earlier (this will be verified).
- Purchase an [approved toilet](#) after September 28, 2007 to replace an older toilet using greater than 1.6 gallons per flush (gpf). Only approved WaterSense labeled toilets using 1.28 gpf or less will qualify for a rebate. There is a limit of two (2) toilet rebates per household.
- Agree to an installation verification visit to ensure your efficient toilets have been installed.

Note: Rebates are limited and will be issued on a first-come, first-serve basis.

HOW TO APPLY FOR YOUR REBATE

Step 1

[Download the application](#) (PDF) or call (404) 463-8645 to request a copy be mailed to you.

Step 2

Mail your completed signed application, original receipt for the new toilet purchased, and a copy of your most recent water bill to:

**Metropolitan North Georgia Water Planning District
Toilet Rebate Program
40 Courtland Street, NE
Atlanta, GA 30303**

Step 3

After approval, you will receive a letter or email notification. Rebate applications take approximately 2 to 3 months to process.

Step 4

You should receive your rebate within 2 billing cycles after your rebate application has been approved. If after 2 billing cycles you still have not received your rebate, contact your local water provider.
