

**February 2017**

## **Transportation Project Update**

In just 4 ½ years, the city has made a number of intersection improvements, safety upgrades for vehicles and pedestrians, road and street resurfacing and added new sidewalk and pedestrian crossings. This year there are 10 projects scheduled to begin:

1. **Holcomb Bridge Road at Jimmy Carter Boulevard** - intersection improvements, Spring 2017
2. **Winters Chapel Road** sidewalks - county line north to Spalding Drive, Summer 2017
3. **Technology Parkway and Jay Bird Alley** sidewalks - Spring 2017
4. **Sidewalks** along Corners Parkway, Frank Neely Road, Technology Parkway South, Peachtree Corners Circle, Fall 2017
5. **Jimmy Carter Boulevard and Holcomb Bridge Road** sidewalks - fill in gaps, Summer 2017
6. **Spalding Drive sidewalks, Crooked Creek Road to Engineering Drive** - Summer 2017
7. **State Route 141 Southbound Widening**, Holcomb Bridge to Jimmy Carter Blvd - Summer 2017
8. **Holcomb Bridge Road** eastbound, right turn lane onto Peachtree Corners Circle - Summer 2017
9. **Peachtree Corners Circle** pedestrian improvements near Eastman Trail - Summer 2017
10. **Pedestrian crossing improvements**, Winters Chapel Road and East Jones Bridge Road - Summer 2017
