Rules on Short-Term Property Rentals

With our summer trips, family reunions and family vacations quickly approaching, many people are turning to Airbnb and other online short-term rental platforms to rent out their properties to re-coup some of their vacation money.

While this is a great idea, most municipalities, including Peachtree Corners, have requirements and restrictions for such activities.

To protect residential neighborhoods, the City of Peachtree Corners **prohibits the renting of an individual's home for a period of less than 31 days.**

The City of Peachtree Corners **also prohibits** the renting of any portion of a residential property for any length of time. This includes pools, tennis courts, accessory structures, etc.

Please contact [**Peachtree Corners Code Enforcement**](#) by telephone at 678-691-1200 with any questions regarding short-term rentals.
