FOR IMMEDIATE RELEASE

## **Peachtree Corners Assistant City Manager Selected for 2021 Leadership Gwinnett Class**

**PEACHTREE CORNERS, GA, July 7, 2020** – Brandon Branham, Assistant City Manager of Peachtree Corners, is among 42 local leaders chosen for the 2021 [Leadership Gwinnett Class](#). He will begin the nine-month program in August.

Established in 1985, Leadership Gwinnett was created to ensure that the community's most influential leaders are knowledgeable about issues pertaining to the county and region. The class will take an in-depth look at the many sectors of Gwinnett – infrastructure, economics, education, health and human services, justice and regional relations.

"We're very proud that Mr. Branham was selected for this year's class," said Mayor Mike Mason. "Leadership Gwinnett has a great track record of success in leadership development. Those chosen for the class learn a tremendous amount about the many aspects of leadership as well as about our county and region. Perhaps one real benefit is the life-time relationships participants develop. This can only help our city as we face the challenges of the future."

The program includes an opening retreat, seven learning days, monthly study groups, tours and hands-on experiences within the county along with a closing retreat. The class will study topics such as leadership in a world class community, infrastructure, economics, education, health & human services, and will participate in study groups, exclusive tours and hands-on experiences.

To ensure a well-rounded class, Leadership Gwinnett uses a selection process based on occupation, qualifications and a representation that reflects a cross section of the county.

"It is an honor to be selected to be a part of the Leadership Gwinnett class," said Brandon Branham. "I am looking forward to the opportunity to gain a deeper understanding of the people and issues that will shape our county's future and the chance to network with some of Gwinnett's top leaders."

Leadership Gwinnett's mission is to educate, equip and engage diverse leaders and inspire civic involvement. Over 1,200 have graduated from the flagship program.
