

October 2021

Rules for Posting Temporary Outdoor Signs

- All temporary signage is prohibited from being placed in the City of Peachtree Corners right-of-way. Signs within the City of Peachtree Corners right-of-way will be collected and disposed of. Generally, when installing temporary signage, it should be placed at least 10 feet from the back of curb or behind utility poles if the utility poles are greater than 10 feet from the curb.
- The aggregate area of all signs on a single-family residential parcel shall not exceed 16 square feet consisting of either one sign that is 16 square feet in area or up to four signs, the aggregate of which may not exceed 16 square feet.
- All temporary banners must be permitted prior to being affixed to a property.
[Temporary Sign Permit form](#)
- Signs cannot be attached to trees, fences or utility poles. Please reference [Code Section 54-10 for a list of all prohibited signage.](#)
