

## Peachtree Corners Veterans Monument Updates

You are invited to attend a ceremonial groundbreaking of the [Peachtree Corners Veterans Monument](#) on Thursday, Nov. 15. The program begins at 10:30 a.m. Use the Medlock Bridge Road entrance between Bush Road and Peachtree Corners Circle. Look for directional signs for parking locations.

Veterans Day: There is no better time to recognize the Veterans among your family and friends than with an engraved paver for the Peachtree Corners Veterans Monument. Although pavers will be ordered November 15 for delivery and installation in early February, you'll be able to order until December 15. Take this opportunity to order for Veterans Day or Christmas now to have the paver placed in February. We'll send a certificate for you to give to the Veterans you honor after you place your order. <https://ptcvets.networkforgood.com/>
