## How Long May I Display My Holiday Lights

With the holidays fast approaching, the home decorating season is now upon us. While we all love to drive through our beautiful city and enjoy the holiday decorations and lights, we want to take this opportunity to share Peachtree Corners local ordinance pertaining to temporary lighting.

We do this in hopes to avoid a special holiday visit from your local Code Enforcement Team. We wish everyone a safe and Happy Holiday Season.

*Sec. 42-10. - Temporary exterior lighting; exceptions.*

*For the purposes of this section, temporary exterior lighting is defined as exterior lighting intended for uses which by their nature are of limited duration. Examples include, but are not limited to, exterior lighting used for seasonal holiday decorations, at civic events, and construction projects. It shall be unlawful in any residential or business area for the owner or resident of any property in the city to maintain temporary exterior lighting for more than 60 consecutive days or more than 90 days during any one-year period. The exception to this rule would apply to the lighting in a city designated area or by special permit. Enforcement of this section shall be by the city manager or designee.*
