On Tuesday, March 22nd, Peachtree Corners Mayor Mike Mason joined Mayors and city leaders from across the globe as a presenter at the Mayor's Summit and Panel Discussion during the 2022 Smart City Summit and Expo (SCSE) held in Taipei, Taiwan.

As the United States' premier smart city powered by real-world connected infrastructure and 5G, Peachtree Corners Mayor Mason was one of 21 city leaders invited to present at this year's event. In addition to the presenters, the subsequent panel discussion included over 100 leaders from approximately 30 countries around the world.

"It is an honor to have been invited to present at this year's summit and to have the opportunity to participate with the leadership of cities and countries from across the globe," said Mason.
