Councilmember Wins Two Civic Awards

August was a banner month for Councilmember Lorri Christopher! The long-time Rotarian received the "Rotarian of The Year Award" for exemplifying this year's theme for the international organization, "Rotary Opens Opportunities" on August 18.

Then the following week, she was one of seven winners (out of 90 finalists) named in this year's Gwinnett Chamber's annual Moxie Awards. Lorri received the "Greater Good Award" from the chamber on Aug. 27.

The Greater Good Award recognizes a woman championing her community. Her innovative ideas reach all members of her region and make her community an ideal place to live, work and play.

The Moxie Awards recognizes both individuals and organizations. Individual awards honor those who are trailblazers in a male-dominated field, Gwinnett County champions, emerging leaders, professionals who are at the peak of their career and those who are generous with their time, talent, or resources.

Another Peachtree Corners citizen, Judge Kristina Hammer Blum, Chief Magistrate for Gwinnett County was part of event, participating in a panel discussing "Turning Your Obstacles into Opportunities."

Ms. Christopher has served on the Peachtree Corners City Council since the city was founded July 2012.
